## Sequence of events:

Read the passage. Number the sequence of events from 1-4.

### Baking a cake

Dad and I baked a cake. First, we mixed the flour, sugar, and eggs. Then, we poured the batter into a pan. After that, we put it in the oven. Finally, we decorated it with icing and sprinkles. The cake was ready to eat.

#### Sequence the events in order (1-4):

- We mixed flour, sugar, and eggs.
- We decorated the cake.
- We poured the batter into a pan.
- We put it in the oven.
