

Name: _____

Class: _____

Tom's new bike:

Read the short story. Then answer the questions.

Tom had always wanted a bike. On his birthday, his parents surprised him with a shiny red bicycle! Tom was so excited. After breakfast, he ran outside to try it out. At first, it was hard to balance, but his dad helped him. Soon, Tom was riding his new bike all by himself. He felt proud and happy. He couldn't wait to show his friends.

True or False.

1. Tom's bike was yellow. True / False
2. Tom's dad helped him learn to ride. True / False
3. Tom was excited about his new bike. True / False
